Take powerful productivity anywhere

Elevate your everyday

Elevate your everyday

- Newest 13th-gen Intel Core processor
- Stream webinars and video conferences with ease

A sight to behold

- Stunning 15.6-in. 16:9 Full HD screen
- See and do more in amazing clarity
- 1,000,000:1 contrast ratio for incredible detail in the lights and darks
- Automatically adapts to any lighting environment

Productivity all day

Refined style. Ready to go.

- 13.3-in.: 2.56 Lbs., 15.6-in.:3.2 Lbs.
- Easy to bring along in a tote, backpack or bag
- Sleek, stunning design makes a great impression
- Be ready for almost any situation — even when working remotely — with a plenty of ports

Be heard and seen

- Look and sound your best during online meetings
- 720P HD camera that's crisp and clear
- Dolby Atmos sound and intelligent noise canceling for clearer video calls

Hours of power plus Fast Charging

- 45W USB-C universal fast charger included
- Universal charger works with all your Galaxy devices

Do more, and do it more securely

Unite your Galaxy

- Galaxy devices sync wirelessly with each other to help you do more
- Quick Share lets you easily transfer files from one device to another[1]
- Access or transfer a file, photo or text on any device
- Start a video or voice call on one device, continue it on another[2]
- Extend your workspace by using your Samsung Galaxy Tab as a second screen[3]
- With Multi Control even control your Galaxy tab or phone with your Galaxy Book[4]

Security that's all about your business

- Fingertip scanner lets you unlock your laptop with the tap of a finger
- Private Share[5] lets you set time limits on access to shared files and revoke file access any time
- Kensington Lock slot to keep your device secure

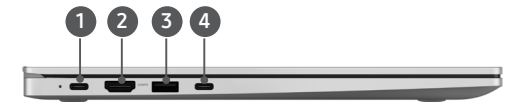

SAMSUNG

[1] Quick Share requires Galaxy smartphones and Galaxy tablets with Android OS version 10.0 (Q) and One UI 2.1 or above. Requires Wi-Fi and Bluetooth connection. [2] Requires devices to have One UI 2.5 or later. Devices must be logged in to the same Samsung account and be on the same Wi-Fi network. [3] Compatible only with Tab S Series and S7 FE models. [4] Requires a smartphone with One UI 3.0 or later and a PC with Windows 10 2004 or later. Must be logged-in the same Windows and Samsung account on both devices and have a Bluetooth or Wi-Fi connection. Initial setup in the Your Phone app is required. Link to Windows copy-and-paste limit: 1MB. [5] Private Share features for both the sender and receiver require Galaxy devices with Windows 10, Android OS 10.0 (Q), and One UI 2.1 or above and the Quick Share app. Requires Wi-Fi and Bluetooth connection.
